

FREE HELP TO MAKE YOUR BUSINESS GREENER – FREE ENVIRONMENTAL CONSULTATIONS

As a part of the European Union project PRISM Environment 4 companies are offering their great services with **free introductory offers**. If you like them then you can discuss future costs after the free offer, if not then it does not cost you anything and might save you money in fines avoided.

- Free Energy review from www.greenpowersavings.co.uk
- Free* Energy efficiency and reduction system from www.streamline-power.com (*paid from the savings you make on the electricity bill, other financing options available)
- Free Environmental Training review from www.em-solutions.co.uk
- Free Environmental Consultation from www.em-solutions.co.uk
- Free spillage control review from www.lubetech.co.uk

Interested in any of these offers then please get in touch with us info@eiscltd.eu /02380206162

We hope that it helps your business develop, be more competitive and even more environmentally aware!
