

Re-energising business parks

GreenFit Final Event
Tuesday 24 March 2015

Programme

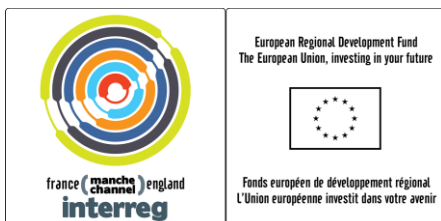

GreenFit – five partners working together to re-energise their business parks

GreenFit brings together five partners from England and France on focuses on the sustainable regeneration of business parks.

The **GreenFit** project was selected under the European cross-border cooperation programme **INTERREG IV A France (Channel) – England**, co-funded by the ERDF

GreenFit – five partners working together to re-energise their business parks:

Re-energising business parks

Programme

10.30 – 11.00 **Registration and refreshments**

11.00 – 11.15 **Welcome and introduction**

The GreenFit project – five partners working together to re-energise business parks

11.15 – 12.30 **GreenFit Walkshop**

Take a walk around Basing View and find out how to re-energise business parks and make them sustainable and attractive places for 21st century business.

The GreenFit partners will share their key messages on energy efficiency, behaviour change, mobility and sustainable buildings in business parks.

12.30 – 12.45 **Launch of the GreenFit Toolbox**

The GreenFit Toolbox is an on-line platform that provides business park managers and occupiers with practical information on how to make business parks more attractive and sustainable places to do business.

12.45 – 13.00 **Wrap and conclusions**

13.00 – 14.00 **Lunch**

For more information on **GreenFit**, go to www.basingstoke.gov.uk/greenfit
